

GEMMA CARRILLO ALONSO – 3D ARTIST

Gemma has proven an unmatched professionalism each and every day she has been working here in Bambo Studio. She always shows interest and tries to give a 100% for every task she works on, which makes her an exemplary worker.

Her perfectionism in her work can clearly be seen in the final outcome of the product while respecting the work of her fellow coworkers.

Another characteristic to highlight is her tidiness and organization. She's a very methodical person and knows exactly how many hours she's going to invest in a specific task.

Besides, Gemma has improved and evolved greatly in the time she's been working with us making very professional work.

It's been a pleasure working with her, if you have any doubt don't hesitate to contact with me.

Yours sincerely,
